

## RHYMES WITH SPRING

My favorite time of year is spring.

With each warm day, I want to \_\_\_\_\_.

I fly my kite up on a \_\_\_\_\_,

Then go to the park to ride the \_\_\_\_\_.

Look at this! I'll give you a \_\_\_\_\_.

If you'll be the queen, I'll be the \_\_\_\_\_.

Together we'll fly all the way to \_\_\_\_\_.

We'll come home with too much to \_\_\_\_\_.

But I forgot to tell you one \_\_\_\_\_.

With the spring comes the bees, and they \_\_\_\_\_.

What else is bad? I can't think of a \_\_\_\_\_.

In spring I like almost \_\_\_\_\_.

*(Hint: Try these rhymes on for size: sing, string, swing, ring, king, Beijing, bring, something, sting, thing, everything.)*
